

Apps4NGO

The screenshot shows a web browser window with the URL www.apps4ngo.org/Login/main. The page features a blue header with the "eFoundation" logo and the text "Free Foundation e-Portal". To the right of the logo, there are flags for the United Kingdom, France, and the United States, and the text "Please Login.". Below the header, there is a "Login" section with three input fields: "Foundation ID:", "Username:", and "Password:". A blue "Login" button is positioned to the right of the "Password:" field. At the bottom of the page, there is a copyright notice: "© 2009 E-Foundation".

The Client:

France based entrepreneur, Arawa Pte Ltd Pty Ltd.

The Problem:

Lack of a moderated data of the NGO Children and secure the information of the children

Our Analysis:

Greyhound analysed the need of the NGO and found the following avenues to improve upon

- No such system developed for data integrity
- Lack of people awareness data
- Data integrity

Our Solution:

The NGO Portal

- Administrator would be able to enter the information of children
- The various programs arranged for them would be maintained in the system
- Project details are maintained efficiently

Greyhound Technologies Pvt. Ltd addressed the requirements of the client and came up with a solution of developing the application that would be purely web based and allow maintenance of data of the NGO
